Re:- Acquisition of Survey No.27/2 and 18/(3)(b) of Sampigehalli.

With reference to your letter No.L.11410 dated 13-12-1954 regarding the above, I write to furnish below information on several points noted in your letter under reference:-

1. The total area proposed for acquisition in the above S.Nos. is 0-20 guntas and the total cost of this area as per awards passed by the Courts will be Rs.4,000/- at Rs.8,000/- per acre.

2. The total extent already notified is 10 acres and 4 guntas out of which 22 guntas has been withdrawn leaving a balance extent of 9 Acres 22 Guntas.

Area actually taken possession is 3 Acres ~~25~~ 26 Guntas leaving a balance of ~~6~~ 5-36 acres still to be taken possession of. It may also be noted that awards in respect of 3 acres 9 guntas have already been ~~prepared~~. passed.

As regards delay in taking over possession of the remaining extent this has tobe done after the necessary awards are passed by the Special Land Acquisition Officer and land handed to the Trust Board.

3. On the basis of the Court Award at Rs.8,000/- per acre the total compensation involved works out to Rs.76,400/- for 9 acres 22 guntas exclusive of the statutory allowance of Rs.11,400 calculated at 15% of compensation. Total amount involved will - - come to Rs.87,860/- exclusive of interest to be paid.

The amount awarded by the Special Land Acquisition Officer is Rs.17394-8-0, allowing a rate of Rs.3600/- per acre of dry land and Rs.4000/- ~~per~~ for Garden lands.

Balance amount required for paying compensation towards the area already notified will work out to Rs.87860-17394-8-0= Rs. 70,465-8-0. A further sum of Rs.4600/- will be required to pay

(7)

pay compensation for acquiring 20 guntas of land now proposed in S.No.27/2 and 18(3)(b) of Sampigehalli. The total amount required will come to Rs.70,465-8-0 +4600/- = Rs.75,065-8-0.

4. The total number of sites envisaged in the sanctioned Scheme is 349 against which only 199 sites have so far been formed (151 independent sites and 48 adjusted sites). None of the sites so far formed have been sold. It might be stated in this connection, that these sites have been formed primarily to house the dislodged occupants of Gangammacherry area adjoining the Town Hall. The rates and conditions under which these sites have to be sold to the Gangammachery people and Political Sufferers have not been finalised and separate report is under submission to Government for orders.

5. The amount expected to be realised can only be assessed after the rates and conditions of sale to the parties noted in para (4) are finalised and approved by Government.

The extent of 0-20guntas now proposed for acquisition in S.No.27/2 and 18/(3)(b) lies in the centre of the layout and cannot be therefore left in its present condition as an ~~agri~~ agricultural land. The area has to be acquired to make the layout contiguous.
